3. APPLICATION:

- Our major aim is to provide a eco-friendly and energetic environment to the customer.
- And we will be giving a reward to the customer at each purchase.
- And we also have a feature called news feed which helps the customer to know about the current updates.
- We have also initiated the memory wall where the customer can write or draw their interest in our wall.
- And we also be providing new traditional tastes.
- The updates of our café will be mailed where people can get accessed
- Soon we are going to have an online plat form where the customers can order through online mode.

4.CONCLUSION:

By the end of this assignment, I learnt how digital marketing plays a major role in the advertising our products we learnt how it reach to the massive audience. And now we are also well versed in using Canva tools because of this work.

This also made us to know about the how the email letter should planned or designed. and finally, we came to know how the digital marketing strives to help the entrepreneurs by creating a massive reach to the audience
